

Superbowl Bingo

A resource for your family or group by CityWell.Church

Welcome to bingo!

Thank you for downloading Superbowl Bingo to use with your family or group. This game was designed to be a fun way to engage during the Superbowl.

We have provided you with a Caller's Card to that lists all available options if that is helpful.

The bingo game was intentionally created with a mix of events that can only happen in the game, and those that may happen during commercial breaks. Anytime something happens on-screen it can count!
